

SANTA GOES GREEN

Holiday Musical for Young Voices

John Jacobson/Mac Huff

Melting ice caps, global warming, surfing reindeer! The North Pole is going green this year and everyone is excited – everyone, that is, except Santa who likes things just the way they are. Solar panels, LED light bulbs, new power sources? It all sounds a bit inconvenient to him. Mrs. Claus, the elves, toys and reindeer have their hands full!

This entertaining 40-minute holiday musical for Gr. 4-8 features seven original songs and dialog with up to 25 speaking parts and an adaptable cast list for groups of all sizes. The Teacher Edition comes with the full script, accompanied songs, Production Guide and choreography. For extra value, the Performance Kit/CD provides the Teacher Edition, 10 Singer books, and a P/A CD.

Songs include: *Merry Merry Christmas, The Greenhouse Effect, Turn Off the Pump (and Plug in the Sleigh), Power to the People, Recycle the Fruitcake, It's Our World, We're Goin' Green.*
