

# MERRY CHRISTMAS IN THE MOTOR CITY

## from *SANTA'S HOLIDAY PLAYLIST*

by John Jacobson & Roger Emerson

When Santa's favorite Christmas album is ruined, the North Pole gang decides to introduce Santa to their music with the help of iPods, playlists, headsets and docking stations! The elves are enjoying their Motown tunes, while the reindeer kick up their country western heels. Crystal Snowflake is heading for Broadway and the toy soldiers are a-rockin' and a-rollin'. Join in the holiday hi-tech fun and discover what ends up on Santa's holiday playlist! Perfect for upper elementary and middle school performers, this clever 40-minute holiday musical features six original songs for unison voices with optional harmony, choreography, a helpful production guide, and a script with speaking parts easily adapted to casts of varying sizes. For extra value, the expanded Performance Kit/CD now provides 20 Singer books, along with the Teacher Edition and a Performance/Accompaniment CD.
